

Welcome to Stage 2 Consultation for the South of Romsey Town Centre Masterplan

Romsey Future is preparing a Masterplan for the area south of Romsey Town Centre, in conjunction with Test Valley Borough Council and specialist planning, design, property and heritage consultants.

Draft Masterplan options have been prepared following extensive consultation with the local community, businesses and landowners, all of which has shaped the options. The purpose of the Masterplan is to provide a clear and shared vision for future development of the area. It will establish clear objectives and priorities for action, and promote and guide future improvements and development over the next 10 years or so.

The purpose of this consultation is to showcase the draft options and invite further feedback from the public. All the ideas outlined are draft and subject to change, dependent on the feedback received.

We want to hear your views on the draft Masterplan. Please review the consultation boards, and provide us with your feedback by either:

- Visiting https://www.surveymonkey.co.uk/r/southofromsey_draftmasterplan
- Returning a completed form to the returns box at consultation events or emailing it to: romseyfuture@testvalley.gov.uk

Your feedback will help to inform the final Masterplan Report, which will be prepared and finalised in summer 2020.
